## British and American Short Stories

Contemporary / British English  
 These stories paint colourful pictures of life in Britain and America in the past. We meet some unusual people. There's the dreamy boy who wakes up one day to find a bird making a nest in his hair! And there's the man who tries to catch a ghost.

## Nyhet!

## Wrong Number

Cloë Rayban  
When a wrong number turns into a series of late night phone calls, Marie just has to know if the boy on the phone is as cute as he sounds - but what if she doesn't like what she sees? Or worse, what if he doesn't like her? A funny and enjoyable book for teen girls.

## My name is O Nyhet!

## About Barrington Stoke

Barrington Stoke publish accessible, enjoyable and unpatronising short books for children who are dyslexic, struggling to read, or simply reluctant to sit down with a book.

Barrington Stoke offers great stories by some of the best children's authors working today. Each book is read before publication by struggling readers of the right age. And there's nothing on the up-to-the-minute covers to suggest that the books are for less fluent readers.

## Special Paper

The books are printed on high quality, cream or off-white paper, which is more restful on the eye than stark black on white.

## Illustrations

For books with an interest level up to the age of 13 years, illustrations support the story and break up the text.

## Vår bedömning

Vårt intryck är att dessa böcker fungerar för elever från 12 år och uppåt. Men för elever med svårigheter är förutsättningarna olika. Vi rekommenderar därför att du väljer ut ett par titlar som du låter just dina elever testa.

# Teenage fiction - Nyheter

## \_\_\_ Warm Bodies ☺

Isaac Marion  
 'R' is a zombie. He has no name, no memories, and no pulse, but he has dreams. He is a little different from his fellow Dead.

Amongst the ruins of an abandoned city, R meets a girl. Her name is Julie and she is the opposite of everything he knows - warm and bright and very much alive, she is a blast of colour in a dreary grey landscape. For reasons he can't understand, R chooses to save Julie instead of eating her, and a tense yet strangely tender relationship begins.

This has never happened before. It breaks the rules and defies logic, but R is no longer content with life in the grave. He wants to breathe again, he wants to live, and Julie wants to help him.

But their grim, rotting world won't be changed without a fight... 256s 89:-

 Eva's life is not her own. She is a creation, an abomination - an echo. Made by the Weavers as a copy of someone else, she is expected to replace a girl named Amarra, her 'other', if she ever died.

Eva studies what Amarra does, what she eats, what it's like to kiss her boyfriend, Ray. So when Amarra is killed in a car crash, Eva should be ready. But fifteen years of studying never prepared her for this.

Now she must abandon everything she's ever known - the guardians who raised her, the boy she's forbidden to love - to move to India and convince the world that Amarra is still alive ... 400s 85:-

# Realia/Multicultural

**LifeLike** offers a new approach to learning about the cultures of the English-speaking world, presenting them primarily from an insider's viewpoint. Rather than considering culture in terms of abstract information or common-place assumptions, *LifeLike* focuses on *real-life experience* and the way culture shapes daily life in today's multicultural societies. That's why, together with material such as articles, web sites, songs, maps, geographical data, *LifeLike* employs a range of short, accessible passages of fiction, essay and autobiography by young writers from all over the English speaking world – from Zadie Smith and Nick Hornby to Jhumpa Lahiri – exploring and commenting on aspects of their own culture from exciting new angles in language that is fresh, authentic and direct.

De engelskspråkiga länder som behandlas i textboken är Storbritanien, USA, Irland, Canada, Australien, Indien, Sydafrika, Nigeria, Kenya, Antigua, Nya Zeeland och Jamaica, men med en stark dominans för UK och USA, där å andra sidan det multikulturella belyses.

Textbokens CD består av åtta klipp från moderna spelfilmer samt avlyssningsövningar till bokens teman.

En sammanfattning kan låta: "Boken syftar till att höja elevens allmänna språkfärdighet med motivationsskapande texter från och om den engelskspråkiga världen. Boken belyser inte språkliga skillnader mellan olika engelska språkområden." Boken kan användas som lärobok eller som brevidläsebok eller som basmaterial för grupparbeten."

LifeLike is subdivided into 8 topic areas connected to aspects of everyday life, presenting these through the complex, often hybrid identities, practices and affiliations that exist in English speaking countries.

## Street - rollspel runt en gata med fiktiva karaktärer

Street berör alla punkter av de mål som eleverna ska uppnå under det nionde skolåret i ämnet engelska på ett roligt och stimulerande sätt.

I arbetet med Street arbetar man med värdegrundsfrågor och får en större förståelse för andra människors situation.

Läraren ger ramarna för arbetet och eleverna formar gatan efter sina egna önskemål. Aktuella händelser avspeglas i livet på gatan.

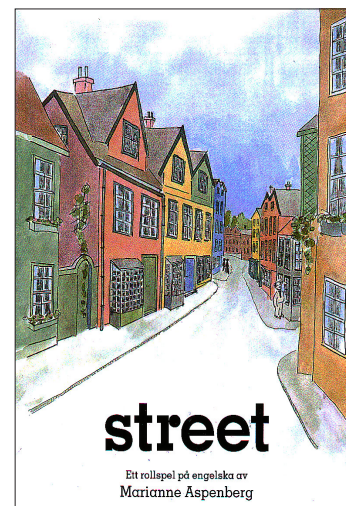

Med en "annan" identitet och ett främmande språk vågar eleverna både tala och skriva mer spontant.

\_\_\_ Street, lärarhandledning och kopieringsunderlag i pärm 595:-

Vi flyttar in i hus vid en gata i en mindre stad i England. Alla i gruppen får en identitet som man själv skapar utifrån vissa givna förutsättningar. Stadsborna träffas på puben och lär känna varandra. De lär känna sin stad och region. Alla möblerar sin lägenhet och lär känna sina grannar. Det är bara fantasin som sätter gränser.

Gruppen sammanställer en tidning vilket ger utmärkt skrivträning. Naturligtvis finns alla de sedvanliga inslagen som nyheter, sport, nöjen, familjenyheter, annonser, korsord osv.

Den muntliga delen kommer in i möten och diskussioner.
