Cutting: ***WOF- width of the fabric, from selvage to selvage**

There are 108 blocks in this quilt, To make block assembly easier, use 3/4" round white stickers to mark the pieces with their block numbers. Block numbers follow in the parentheses after each the piece cut.

11" & 9" squares may have more than one number assigned to them. These blocks will be cut later into smaller blocks.

NOTE: Slight differences do occur during cutting and sewing. To allow for differences in sewing and to ease the mitering, border measurements have been rounded up to allow for any necessary adjustments.

Block 5

Follow steps 1 – 4 for these blocks, each of the 13 -11" x 11" squares will be cut up to create 4- 5 ½" x 5 ½' blocks for 35 -5 ½" x 5 ½' blocks total. There will be extra 5 ½" x 5 ½' blocks we will not use.

The block sets are as follows; (1, 30, 58), (2, 18, 29), (7, 24, 26, 52), (11, 65, 81, 86, 105), (12, 60, 64, 107), (20, 96, 104), (43, 49, 68, 71), (44, 70), (47, 55, 62), (82, 50), (77), (90). The numbers in parenthesis represent the sub units cut from each 11" block

1. Cut circles from the 9" x 9" squares using the large circle template. Leave enough seam allowance for the appliqué method you are using.
2. Working from the right side of the square, find and mark the center of each side of the square. Using your favorite marking tool, connect these marks horizontally and vertically. Make sure that the lines are perpendicular (90 degree angle) to each other and parallel to the sides. Center the circle and appliqué the circle to the 11" x 11" square using your favorite a appliqué method to complete the block. Press and use appliqué scissors to cut out the fabric behind the circle.
3. Using your favorite marking tool, connect the mark you made before horizontally and vertically, through the circle applique. Make sure that the lines are perpendicular (90 degree angle) to each other and parallel to the sides.
4. Cut along these lines to make 4- 5 ½" x 5 ½" blocks.

Quilt top assembly

1. Arrange the blocks in rows and columns, by number as shown below. Check the image of the finished quilt for further block arrangement details such as rotation.

2	14	26	38	50	62	74	86	98
3	15	27	39	51	63	75	87	99
4	16	28	40	52	64	76	88	100
5	17	29	41	53	65	77	89	101
6	18	30	42	54	66	78	90	102
7	19	31	43	55	67	79	91	103

11	23	35	47	59	71	83	95	107
12	24	36	48	60	72	84	96	108

2. Sew the 12 blocks together to form each column. There will be 9 columns total; 1-12, 13-24, 25-36, 37-48, 49-60, 61-72, 85-96, & 97-108. Press the seams in one direction. Change direction from one column to the next and back again.

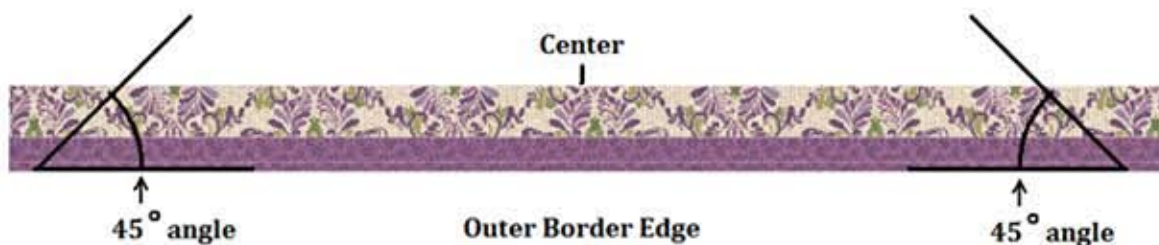

3. Sew the columns together in pairs with one extra column added to the last pair. Continue to sew the columns to each other in pairs. This will make assembly less cumbersome. Press seams to one side.

Adding the Mitered Borders

Outer Border **21405 V** - 2 strips @ 2"x 55" & 2 strips @ 2"x 70"

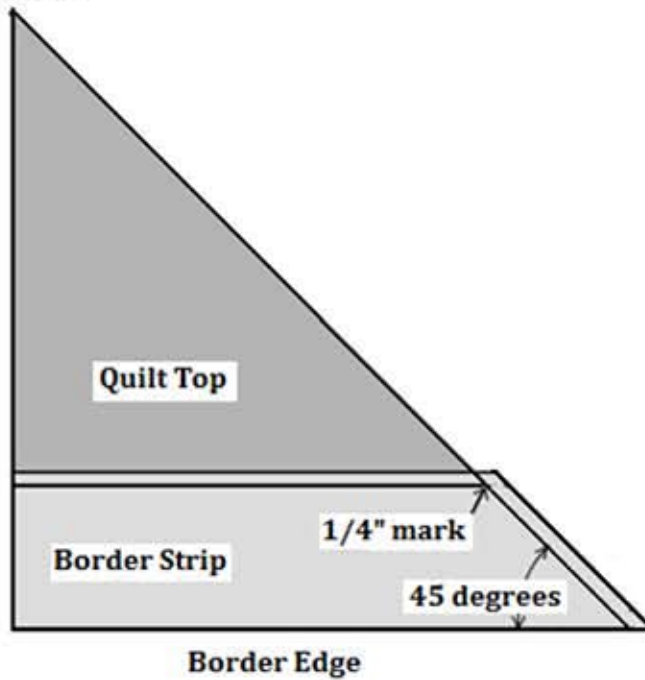

Inner Border **21399 E V** - 2 strips @ 2 ½"x 55" & 2 strips @ 2 ½"x 70"

1. On the wrong side of the quilt top, in each corner, measure ¼" in from each side. Mark this point with pencil or chalk. Do this for the other 3 corners. Also find the center of each side of the top and mark with a pin. Set this aside.
2. Find the center of the length for all 8 strips. Mark the center with chalk on the wrong side on both edges for all 8 strips.
3. Sew one of the 2"x 55", Outer Border **21405 V** strip to the 2 ½"x 55", to an Inner Border **21399 E V** strip; make sure the center marks are matched. This will be the top border strip set. Repeat this step to make the bottom border strip set with the other 2"x 55", Outer Border **21405 V** strip and 2 ½"x 55" Inner Border **21399 E V** strips. **Press the seams towards the outer border.**
4. On one of the top and bottom border strip sets, measure 22 ½" to the left and the right of the center mark on Inner Border **21399 E V**. At this spot, measure ¼" in from the raw edge, mark with pencil or chalk. Repeat this for the other border strip set.
5. Sew the 2"x 70", Outer Border **21405 V** strip to the 2 ½"x 70", Inner Border **21399 E V** strip; make sure the center marks are matched. Repeat this step with the other 2"x 70", Outer Border **21405 V** strip and 2 ½"x 70" Inner Border **21399 E V** strips. These will be the side border strip sets. **Press the seams away the outer border**
6. On one of the side border strip sets, measure 30" to the left and the right of the center mark on Inner Border **21399 E V**. At this spot, measure ¼" in from the raw edge, mark with pencil or chalk. Repeat this for the other side border strip set.
7. Draw a line through the mark you just made on the Inner Border **21399 E V**, that is 45 degrees from the raw edge of the outer border. Make sure that you can see the ¼" mark within on the line. See image below for reference. Trim the extra border fabric leaving a ½" seam allowance.

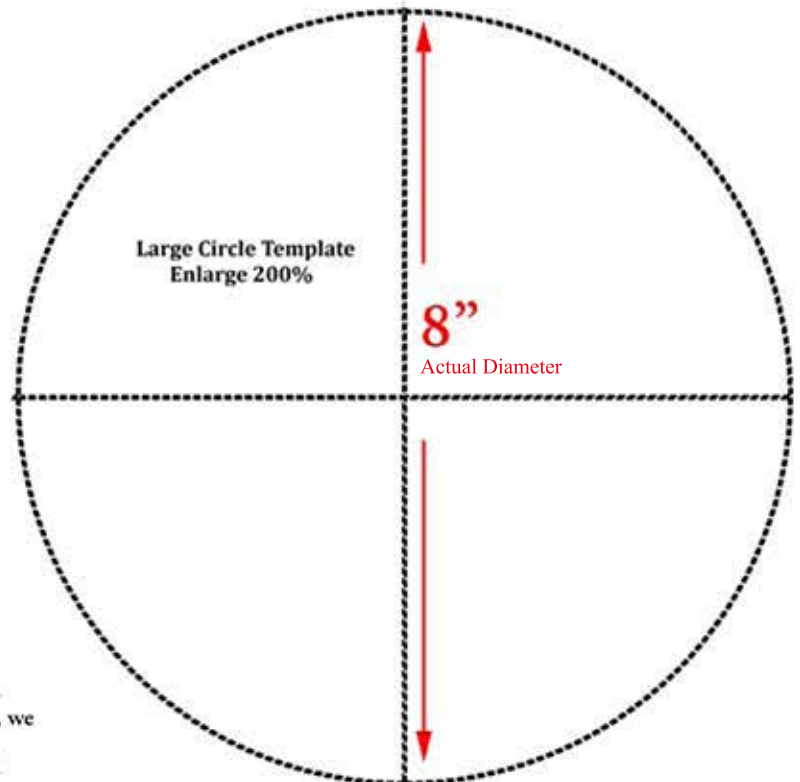

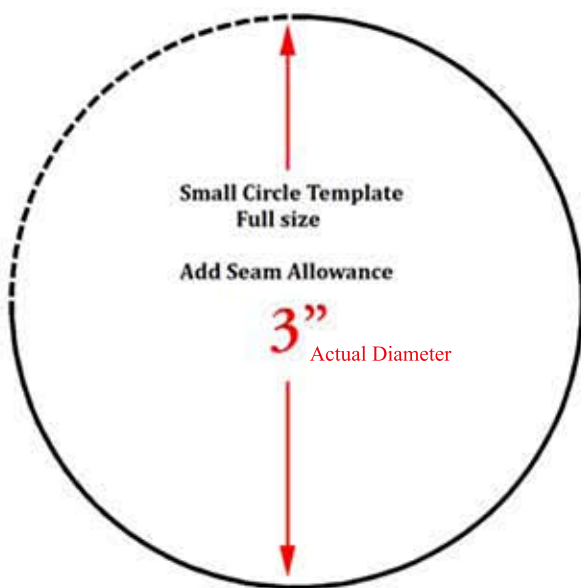

8. Attach the one of the side border strip sets of the quilt top center. Match the pinned center marks and the marks made on both ends of the border strip to the quilt top center. Sew from one ¼" corner mark to the opposite ¼" corner mark. **Do not knot or sew in reverse, leave long thread tails.** Press the new seam away from the quilt top center. Now sew the other side border strip set the quilt top following the previous directions.
9. Attach the top border strip set of the quilt top. Match the pinned center marks and the marks made on both ends of the border strip to the quilt top. Sew from one ¼" corner mark to the opposite ¼" corner mark. **Do not knot or sew in reverse, leave long thread tails.** Press the new seam away from the quilt top center. Now sew the bottom border strip set to the quilt top following the previous directions.

10. As shown in the diagram below, fold the quilt in half diagonally, right sides together, towards the corner that you are working on. Using a pin align and interlock the seams at the $\frac{1}{4}$ " corner marks and interlock the border strip seams. Pin the seam in place. Sew on the line you drew, leaving long thread tails, open quilt to make sure that the intersection lays flat. Tie off all the thread tails in this corner, using a square knot. Cut away excess fabric leaving at least a $\frac{1}{4}$ " seam allowance. Press seam open. Repeat this on 3 remaining corners.

Layer quilt, quilt as desired. Finish with binding.
