Kamelo

The KAMELO COLLECTION was created in 2003 with an aim to challenge the strait-laced, minimalistic, even-tempered, somewhat uncoloured and uniform swing of that time. Simply put, we wanted to add some heat to the Scandinavian cool. Using wild exotic materials, natural craftsmanship, skilled artisans and superior quality, we aimed to unleash raw beauty, true cosmopolitan dynamics and spark off a touch of southern zest. All the way up to the frozen, functionalistic North. Bringing a new level of personality and passion to the everyday life. Rewarding the brave and the glamorous.

Today, a decade later, KAMELO has established itself as an extravagant, ardent and very special premium brand in the interior & home ware sector. Based on our native legacy, we have developed a unique style and standing in a world of our own, best described as *Wild Elegance*. KAMELO of 2013 offers a full range of products and services in fashionable furniture, lighting, blankets, home decor & accents for a refined residency lifestyle. Now, please feel warmly invited to explore your *wild* and *elegant* side with us.

Celebrating 10 years

A decade has passed. Ten years of wild dreams and great wonders. Ten years of high life and hard work. And here we are. Amongst the very best of friends, colleagues and habituées. Dancing together in the sunsets of Cape Town. Touching our inner beauties on a rooftop in Delhi. Sharing our personal experiences on a beautiful island in the Stockholm Archipelago. Always exploring. Never slowing down. Still in search of excellence and elegance. Bringing our goose feathers and ostrich plumes to new places, new people. Creating new products. Finding new possibilities. Painting the world in our colours. Now join the party. Come celebrate with us. For KAMELO, the adventure has just begun.
